

ABDUSSAMET YORGUN

COMPUTER ENGINEERING STUDENT

PERSONAL

I am Abdüssamet, 21 years old. I'm a curious person and I'm enthusiastic about learning new things. I improve myself at web developing with C# .NetCore. I developed a blog site, corporate website and E-Learning Website with a layered architecture. I used LINQ, EntityFramework, MSSQL and MySQL at my projects. I use code-first structure at my projects.

My Projects;

- robodem.erdemokullari.com.tr
- ikp.com.tr

My github account: <https://github.com/sametyorgunn>

EXPERIENCES

Intern

kayrasys cyber security company | 01.07.2021-15.08.2021

- Fortigate firewall, Network

software developer

Sonel Software | 01.05.2022-Still Working

- C#.NetCore, HTML, CSS, Javascript

EDUCATION

Duzce University

Computer engineering | 01.10.2019-

Umraniye Highschool

September 2015 - June 2019
